The recently-established House of Training in Luxembourg not only delivers training courses to Luxembourg-based organisations, but also provides training services to people from abroad, in a recent case, Vietnam.

Following the completion of the final module of the House of Training "Bank Management" programme, 15 high profile banking executives from Vietnam were presented with their certificates during a celebratory event at the Cercle Munster, Luxembourg.

On behalf of the House of Training, Business Manager (ATTF) Ben Lyon thanked its experts and delegates for their exemplary participation and congratulated the group for their excellent results
